

Our Menu

Our menu is based on Asian Fusion cuisine, which involves a host of interesting ingredients, flavours and preparation techniques. Many of our dishes will be comprised of familiar basic ingredients, but will have an exquisite finished look and taste, that is totally fresh and new!

Our drinks menu is full of traditional wines, beers and spirits, with an outstanding array of cocktails on offer. At House of Zen, we pride ourselves on providing a high level of customer service with a relaxing and unique ambience and we hope that you have an outstanding dining experience with us.

As we use a wide range of cooking styles at House of Zen, with the majority of our freshly sourced ingredients cooked to order, your meals may not always arrive simultaneously. We would be most grateful if parties could please make allowance for this at time of ordering.
